Sir,

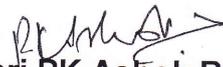

Please refer to your RTI application dated 03.12.2014 received in this division. Replies to query 1 and 2 which are related to this division are as under:

2. Article 23 of the Charter of the United Nations states that "the Security Council shall consist of fifteen Members of the United Nations. The Republic of China, France, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland, and the United States of America shall be permanent members of the Security Council. The General Assembly shall elect ten other Members of the United Nations to be non-permanent members of the Security Council."

3. Further article 108 of the Charter of UN states that "amendments to the present Charter shall come into force for all Members of the United Nations when they have been adopted by a vote of two thirds of the members of the General Assembly and ratified in accordance with their respective constitutional processes by two thirds of the Members of the United Nations, including all the permanent members of the Security Council."

4. Article 23 & 108 of the Charter of the UN infers that the composition of the Security Council is prescribed by the UN Charter, according to which certain specified nations have permanent seats. Hence, there is no question of a seat being offered and India declining it or there being documentation to this effect.

5. If you are aggrieved with this reply, you may file an appeal with Shri Tshering W. Sherpa, DS(UNP) & Appellate Authority, UNP Division, Ministry of External Affairs, Room No. 0102, 'C' Wing, Jawaharlal Nehru Bhawan, 23-D, Janpath, New Delhi-110011, Ph.: 011-49018413 within 30 days of receipt of this letter.
