9. Library

Functioning since 1955, the Sapru House Library has emerged as a premier resource centre for Indian and foreign scholars. It houses a rich collection on international relations and functions as a research library with a stock of 1,43,447 documents including books (thousands of them are rare), bound volumes of journals, maps, special collections of UN documents and EU Documents. The Library has automated majority of the collection of books, journals, UN & EU documents. The collection is searchable through Online Public Access Catalogue (OPAC). List of New Arrivals are also published on the ICWA web site regularly.

A part of this rich and unique collection in the field of international affairs, comprising rare books, bound volume of newspapers and press clippings, is available in digital format, useful for researchers and experts in the field of world affairs in India and abroad. The entire collection of ICWA journal – *India Quarterly* is available in digitized form on the ICWA web-site. The documents of the first Asian Relations Conference held in March 1947 are also available in digital format. A state of the art Cyber Library is available in the reading hall with access to the electronic contents and information. The Library has arrangements with other libraries to allow consultation of the resources for ICWA scholars on the basis of their ICWA ID cards.

While the existing rules of membership of the ICWA Library will continue to be in force, it has now been decided that the library resources will be available for access and study on a non-borrowing basis for students/researchers of Indian universities and high schools subject to show of valid identity cards issued by their respective institutions. This facility would also be available to: a) Representatives of Indian Think Tanks with valid identification documents issued by their respective organizations, b) Media personnel based on their PIB registration cards, and c) Members of foreign diplomatic missions based in Delhi with identity cards issued by the Ministry of External Affairs.

Arrangements for safekeeping of personal belongings of users in separate lockers are also available. Users can contact the reception desk at the library for this purpose. Xerox facility is available for users at a nominal fee of Rs. 1/- per page.

To consolidate it as a premier research library, the Library Committee has decided that the library should be equipped with exhaustive research material and documentation in niche areas of Indian foreign policy, with focus on South Asia. Amid the constraints of reduced staff strength, and the need to strike a balance given the relatively limited utilization of the Library facilities and the persistent challenge of upgrading them, suitable actions are being undertaken to present a tidy/efficient environment.
