Dear Sir,

Please refer to your letter no. Z-11025/234/2010-Emig dated 31st December 2012 addressed to Ambassador regarding minimum referral wages/salaries for various categories of workers.

2. Minimum wages for United Arab Emirates were revised by the embassy only in February 2011 and we feel that at present there is no need to revise the same especially in view of the fact that our web based attestation system is still under implementation and not fully operational. However, we will keep reviewing the situation and revise the minimum referral wages/salaries as and when such requirement is felt. A list showing the existing minimum wages being applied by the Embassy for attesting the work permit/labour contract etc. is attached for Ministry's information.

With regards,

Yours sincerely,

(Anand Bardhan)
