First Quad Leaders’ Virtual Summit
9th March 2021

9 March, 2021

The First Quad Leaders’ Virtual Summit on 9th March 2021 was attended by the Prime Minister Shri Narendra Modi of India, the Foreign Minister Mr. Motegi of Japan, Mr. Yoshide Sugio of the United States, and the President Mr. Joe Biden of the United States. The summit will focus on discussions on regional and global issues, and will reaffirm the commitment of the Quad countries to upholding international norms, including respect for territorial integrity, non-interference, and mutual understanding.

The Quad countries have been working closely on efforts to defeat COVID-19 and to ensure a peaceful resolution of disputes. The summit will discuss the role of technology, surveillance, and cyber threats in the resolution of disputes.
