

Introduction of new category of Visa - Ayush Visa

In line with the Heal in India initiative of the Government of India, a new category of AYUSH (AY) Visa has been created. It is specifically designed for foreign nationals looking to receive medical treatment in India through Ayush or other traditional Indian systems of medicine. This visa also caters to those interested in therapeutic care and wellness through traditional medicine.

2. Any person seeking AY Visa will need to submit a medical invitation letter from an accredited Ayush Institution and their medical history document necessitating the treatment. Attendants/family members of the patient can apply for AYUSH-2 (AY-2) Visa.
