India and Kuwait enjoy traditionally warm and friendly relations, rooted in history and sustained people-to-people contact. The year 2020-21 marks 60th anniversary of establishment of diplomatic relations between two countries. India has been a natural trading partner of Kuwait and until 1961 Indian Rupee was the legal tender in Kuwait. Till the discovery and development of oil, Kuwait’s economy revolved around its fine harbour and maritime activities which included ship building, pearl diving, fishing and voyages to India on wooden *dhow* carrying dates, Arabian horses and pearls that were traded for wood, cereals, clothes and spices.
