MESSAGE

I am very happy that India Centre of Migration (ICM) is bringing out a handbook on the occasion of Pravasi Bharatiya Divas 2017, highlighting the various programmes and initiatives of the Government for the benefit and welfare of Indian diaspora abroad.

In the last two-and-a-half years, under the leadership of Prime Minister Shri Narendra Modi the Government has brought about a transformational change in India’s engagement with its diaspora. This change is reflective of our firm belief that the 30 million strong overseas Indian community is our invaluable partner in the progress of the nation.

We have considerably strengthened the institutional support framework for NRIs and PIOs with new initiatives such as MADAD platform for online consular grievance monitoring, eMigrate system for emigration clearance, merger of PIO and OCI cards and energizing the India Development Foundation so that NRIs/PIOs can directly participate in India’s development.

ICM has been playing its due part as a research think-tank of the Ministry to assist the Government in policy-making in promoting overseas employment of Indians. I am sure that this handbook of ICM will act as a good source of information on our policies for the benefit of all participants in PBD-2017.

Technical top up training to be provided by MSDE through the National Skills Development Corporation (NSDC). This will be complemented by Pre-Departure Orientation & Training (PDOT) aimed at enhancing soft skills of potential emigrants.

Sixteen customized India International Skill Centres have been set up by National Skills Development Corporation (NSDC) in major labour sending States: Telangana, Punjab, Maharashtra, West Bengal, Uttar Pradesh, Bihar, Jharkhand, Kerala and Rajasthan.
